<b>BEST HABITS</b>	Collaboration		Curiosity		Open-mindedness	
<b>SMSC/Cultural Capital</b>	Reflect on your own identity as well as comparing relationships between friends and family members. Look at French historical figures, poetry.  Safeguarding - blind dates, relationships		Develop compassion and empathy for others through expressing your interests. Through role-plays and dialogues, students collaboratively develop listening and speaking skills as they talk about their interests and daily lives. Creating an atmosphere of mutual respect, we can support students to develop confidence and ensure that all students feel included and accepted whilst expressing their identity. Safeguarding – navigating your life online and being safe in an increasingly digital age.		Promote British value of tolerance through showing appreciation and acceptance of other cultures and practices. Explore and appreciate other countries festivals and traditions. Promote tolerance and understanding of multi-racial, multi-cultural societies. Pupils have some opportunity to reflect on religious beliefs and practices in different countries through studying other festivals & traditions. Encourages pupils to reflect on aspects of their lives, and on with other experiences, particularly with reference to teenagers. Relationships: develop communication skills through use of formal and informal language.	
<b>Transferable Skills</b>	Presenting/Communicating		Creativity / Leadership		Adaptability
