<p>Biology</p>	<p><a href="#">CGP AQA A Level Biology</a> Year 1 and 2 Book £22.00 (School Price) will be ordered through the school</p> <p>As preparation the <a href="#">Head Start to A Level Biology Guide</a> is recommended (£4.00)</p> <p>Students will be given full free access to the Kerboodle Online Digibook when they start the course : <a href="https://www.kerboodle.com/api/courses/18192/interactives/111859.html">https://www.kerboodle.com/api/courses/18192/interactives/111859.html</a></p> <p>Existing Barking Abbey Students can look at this now with their AQA Double/Triple Science Logins. New students will receive logins after enrolment. Reminder that the school's institution code is : njw2</p> <p>Recommended <a href="#">Essential Maths skills for A Level Biology</a> - £ 3.75</p>
<p>Business (BTEC &amp; GCE) &amp; Economics</p>	<p>For A Level Business, it is recommended that they purchase the following revision guide: <a href="https://www.amazon.co.uk/New-AS-Level-Business-Complete/dp/1789082420">https://www.amazon.co.uk/New-AS-Level-Business-Complete/dp/1789082420</a></p> <p>For A Level Economics, it is recommended that they purchase the <a href="#">following revision guide</a>:</p> <p>BTEC Business - It is recommended that the <a href="#">following revision guide</a> is purchased for £10.99</p>
<p>Chemistry</p>	<p><b>" AQA Chemistry: A Level by Ted Lister and Janet Renshaw" however this is available online on Kerboodle which student can access on their phone/computer for free with their school account.</b> <a href="https://www.kerboodle.com/api/courses/18192/interactives/111412.html">https://www.kerboodle.com/api/courses/18192/interactives/111412.html</a></p> <p>If a student requires additional support with their Mathematics for Chemistry there are two recommended books the first one is currently free to access online</p> <p>1) Maths Skills for A Level Chemistry Second Edition (McGowan Poole) 2018 by <a href="#">Emma Poole</a> (Author), <a href="#">Dan McGowan</a> (Author)</p> <p>access via the link below</p> <p><a href="https://en.calameo.com/read/000777721dc7bc9b4572e?authid=3XeN09XfQP12">https://en.calameo.com/read/000777721dc7bc9b4572e?authid=3XeN09XfQP12</a></p>

	<p>2) <a href="#">Calculations in AS/A Level Chemistry by Jim Clark</a> book can be purchased from Amazon New copies £25.99 . This book covers all calculations for the two-year course.</p> <p>All resources (revision guides, exam questions and powerpoints) are available online for free in our sharepoint and on various websites . Please click the link to see the recommended websites.</p> <p> <a href="#">useful a level websites.docx</a></p>
Dance	<p>Students will be required to have all black dance kit which can be purchased from the school supplier Uniform 7. This consists of a black t shirt with the option of a black dance jumper. Please see this <a href="#">link</a> for prices. However, if students already have plain black items as listed below, they can wear their own kit to reduce costs.</p> <ul style="list-style-type: none"> <li>• Plain black T-shirt (no oversized logos of motifs)</li> <li>• Black leggings or tracksuit bottoms</li> </ul>
Design & Technology	<p><i>Students should budget for some printing credit if their design work takes this. However, all design portfolios are now digital so printing costs can be kept to a minimum. The Technology Department would not expect this to cost more than £10 over the two-year course.</i></p> <p><i>All paper material is provided free for the students to design on. <b>However students will be expected to provide lined paper for the large amounts of note taking during the course. Students will need to purchase a good quality folder to store their notes over the two years.</b></i></p> <p><i>The necessary books are provided on condition of a returnable deposit of £20. This is returned at the end of the course. The only other costs may occur in year 13 if a student's designed product includes a component that the Department do not usually stock. These are usually purchased very cheaply online by the students.</i></p> <p><i>In some occasions if a students project is using an unusually large amount of material they may be asked to contribute towards this cost.</i></p>
English Literature	<p>Texts are provided by the English Department, but if students would like their own copies of texts to annotate on , all are available for easily under £10 per text via online or high street retailers. Students are expected to have at least two folders - one per teacher. These are the texts, where a school copy will be issued at the start of Year 12</p> <ul style="list-style-type: none"> <li>• A Streetcar Named Desire</li> <li>• Poems of the Decade.</li> <li>• Wife of Bath.</li> </ul>
Geography	<p><i>As part of the A-level course students will undertake 4 days of fieldwork. These field days are free, although an Oyster card for travel will be required.</i></p> <p><i>We recommend purchasing the following Topic Student guides as in the past students have found them useful, however these are by no means essential:</i></p> <p><a href="#">Edexcel AS/A-level Geography Student Guide 1: Tectonic Processes and Hazards; Landscape systems, processes and change by Cameron Dunn; Hodder Education</a></p> <p><a href="#">Edexcel AS/A-level Geography Student Guide 2: Globalisation; Shaping Places by Cameron Dunn Hodder Education</a></p> <p><a href="#">Edexcel A-Level Year 2 Geography Student Guide 3: The Water Cycle and Water Insecurity; The Carbon Cycle and Energy Security by Cameron Dunn, Hodder Education</a></p> <p><a href="#">Edexcel A-level Geography Student Guide: Health human rights and intervention; Migration, identity and sovereignty by Cameron Dunn Hodder Education</a></p> <p><i>These retail for £9.99 each, on Amazon - Kindle and used copies provide cheaper alternatives.</i></p>

	<i>We also recommend the use of <a href="#">Seneca</a> for revision which is an excellent free resource.</i>
History	There are no significant costs. Textbooks are provided to all students for the duration of their course. There are others available for them to buy if they wish but we provide photocopies of particularly useful chapters as needed. There are opportunities to purchase extra photocopied resources, but this would not exceed £10 over the academic year. For the coursework unit we begin in the summer term of Year 12 students need to undertake significant independent research on the topic of their choice and we normally recommend they purchase 1-2 books on their topic from Amazon (or similar - those with used and new to keep costs low) which would on average cost £5-20 depending on how many and the topic chosen. However, to reduce costs further we do have a range of books within school we can loan out but these are on limited topics. Students do NOT have to purchase any books and we recommend using local libraries instead where possible.
Mathematics	<p>The Casio Class Wiz calculator is an essential for the course at around £24  <a href="#">Casio FX-991EX ClassWiz Advanced Scientific Calculator (sciencestudio.co.uk)</a>  Students are advised to buy textbooks at £22 for Pure 1 and Applied 1 at £11.</p> <p><a href="#">Edexcel AS and A level Mathematics Statistics &amp; Mechanics Year 1/AS Textbook + e-book: Amazon.co.uk: Attwood, Greg, Bettison, Ian, Bettison, Ian, Clegg, Alan, Dyer, Jane, Hooker, Susan, Jennings, Michael, Littlewood, Jean, Moran, Bronwen, Nicholson, J., Nicholson, Su, Pateman, Laurence, Pledger, Keith, Smith, Harry, Gallick, Keith, Dyer, Gillian: 9781292232539: Books</a>  <a href="#">Pearson Edexcel AS and A level Mathematics Pure Mathematics Year 1/AS Textbook + e-book (A level Maths and Further Maths 2017): Amazon.co.uk: Attwood, Greg, Barraclough, Jack, Bettison, Ian, Macpherson, Alistair, Moran, Bronwen, Nicholson, Su, Pledger, Keith, Smith, Harry, Staley, Geoff, Ward-Penny, Robert, Wilkins, Dave, Oliver, Diane, Petran, Joe: 9781292183398: Books</a></p> <p>Textbooks are provided online if students do not purchase a hard copy- all enrichment days/activities/maths challenges/maths shows/photocopies are free of charge  the link for the online textbooks are below:  Username: euler  Password: Mathsiscool1  <a href="https://login.pearson.com/v1/piapi/piui/signin?client_id=BRSIcPHr2Iq0NV8AQP99zDZau8IPUxgy&amp;login_success_url=https:%2F%2Fwww.pearsonactivelearn.com%2Fapp%2Flogin">https://login.pearson.com/v1/piapi/piui/signin?client_id=BRSIcPHr2Iq0NV8AQP99zDZau8IPUxgy&amp;login_success_url=https:%2F%2Fwww.pearsonactivelearn.com%2Fapp%2Flogin</a></p>
Physics	<p><a href="#">CGP AQA A Level Physics Year 1 and 2 Book</a> £22.00 (School Price) will be ordered through the school  As preparation the <a href="#">Head Start to A Level Physics Guide</a> is recommended (£4.00)  Students will be given full free access to the Kerboodle Online Digibook when they start the course :  <a href="https://www.kerboodle.com/api/courses/18192/interactives/111862.html">https://www.kerboodle.com/api/courses/18192/interactives/111862.html</a>  Existing Barking Abbey Students can look at this now with their AQA Double/Triple Science Logins. New students will receive logins after enrolment. Reminder that the school's institution code is : njw2  Recommended <a href="#">Essential Maths skills for A Level Physics</a></p>
Psychology	All Textbooks will be provided in lessons but students are welcome to buy their own: Here is the <a href="#">link</a>

**Religious Studies** There is generally no additional cost in RS but students are encouraged to buy a copy of the OCR A Level RS revision guide at some point which will cost approximately £20 but some second copies do become available. Details can be found [here](#):

**Sociology** **Textbooks and Revision Guides:** For Years 1 and 2, textbooks can be borrowed using the deposit system on a first-come-first-served basis (£20 refundable deposit) however we do encourage student to purchase at the very least their own copy of the Year 1 textbook as these can only be loaned for one year during Year 12, but will still be needed for the summer A-Level exams of Year 13. If students do purchase their own copies (£24.99 each), we endeavour to sell these on at a 'second-hand' price (dependent on condition the book is in) to the year below once A-Level exams are finished.

There are also two revision guides that we recommend for Year 1 and 2 (£12.99 each).

Purchasing details can be found here: <https://napierpress.com/buybooks>

**b) There are paperwork booklets that we encourage students to purchase within the department at £2 each (to cover printing costs) and there are six of these in total over the course of the two-year A-Level**
