GCSE students will have the opportunity to go on a trip to either Notting Hill, National Archives or to the National Maritime Museum

These popular trips provide an opportunity to experience the living history we study in our Migration & Elizabeth Units.

We also offer lecture series for students through Gresham College whom provide lots of online lectures. This is great if you want to extend your knowledge even further by listening to credible historians and professors From universities like Oxbridge.

How will I be taught?

The brilliant work you have done in Year 7 and 8 has set you up for GCSE, providing you with the skills and knowledge that will be useful for the next 3 years.

For example, your study of the reformation in Yr 7 will help you when studying Elizabeth's Religious problems.

GCSE lessons are similar to those you've experienced and enjoy already with lots of debate, reading, storytelling, creative activities, active history, quizzing and writing.
